

TMC Engineering & Sales Co., Ltd.

Company Overview

Established in
1984

Located in:
Taipei City, Taiwan

Award:
**Public Construction
Golden Quality Award
from the Executive**

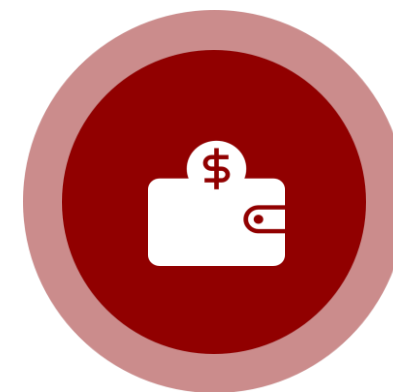

Main Business

Engaged in agency representation and importation of specialized industrial products from European and American manufacturers.

Offer full-scope, integrated Turn-key solutions encompassing: Sales, Design, Construction, Installation, and Commissioning.

Specializing in the importation and distribution of high-end water treatment equipment and industrial components.

Agent for SED diaphragm valve and KOHO gas compressor in Taiwan.

Our Products & Solutions

Demineralized Water Solutions

(Ion Exchange Systems for Petrochemical Plants, Refineries, and Power Stations)

- ◆ **Operation Capacity: 10m³/h~ 500m³/h
(The largest in Taiwan)**
- ◆ **Number of accomplishments:
more than 90 projects**
- ◆ **System type: CCR, PACKED TYPE
(All developed by ourselves)**

Our Product & Solution

DI WATER

(Ion exchange system for the petrochemicals, refinery and power plants)

CCR SYSTEM
For Petrochemical Plant

PACKED SYSTEM
For CPC
Petrochemical Plant

Our Product & Solution

CONDENSATE POLISHER

(For CPC Project)

Our Product & Solution

FILTER SYSTEM

(Filter, Fiber Filter, Candle Filter...etc.)
(For CPC Project)

Our Product & Solution

CPI, Coagulated plate interceptor

(For CPC Project)

Our Product & Solution **PRETREATMENT SYSTEM**

(For FHI Project in Philippine)

Our Product & Solution

RO SYSTEM

(For FHI Project in Philippine)

Our Project Performance

2025, CPC Corporation Demineralized Water Package
Location: Kaohsiung, Taiwan.
CPC Talin Tank Farm VOO& Utility Project (In Construction)

Our Project Performance

2024, CPC Corporation Taoyuan Refinery
Location: Taoyuan, Taiwan.
Turnkey Engineering Project for Ultrapure Water Treatment System in Water Supply Plant

Our Project Performance

2017, CPC Corporation Dalin Refinery
Location: Kaohsiung, Taiwan.
240M3/Hr x 1train (New EPC Project for the 10th Pure Water System)
[★This project received the 17th Public Construction Golden Quality Award.](#)

Our Competitive Edge

Government Procurement & Tender Excellence

We possess unparalleled experience in securing government water treatment tenders. We consistently submit bids demonstrating superior technical expertise and cost-effective solutions, ensuring maximum budget efficiency.

EPC JOB (ENGINEERING, PROCUREMENT, CONSTRUCTION)

TMC stands as a premier provider in Taiwan, capable of delivering comprehensive, turnkey EPC (Engineering, Procurement, and Construction) solutions.

Our in-house team handles every stage: Design, Procurement, Construction (Erection/Installation), Commissioning, and Testing.

Our Key Clients

Our long-term relationship clients include various industries.
